

Purpose

To be responsible for all premier team activities and roles within the team.
To promote pathways for all players of Peringa United AFC.
To liaise and build relationships between the men's reserve team and the premier team.
To implement the strategy as directed by the committee.

Key Working Relationships

1. Within the club:
 - Players
 - Supporters
 - President
 - Committee
 - Coaching support staff
2. Outside the organisation:
 - Sponsors
 - Media

Key Functions and Responsibilities

- Secure players that will promote the playing style and culture of the club.
- Appoint roles for support staff, including fitness, team management and assistant coaching.
- Ensure effective coaching, leadership, organisation and communication within the premier and reserve teams.
- Create a team strategy for effective team play and individual player development.
- Assist in developing a positive team culture that promotes support and professionalism.
- Oversee the fitness training program to ensure players maintain a high level of physical fitness and strength conditioning.
- Create plays for throw-ins, corners and free kicks.
- Gain an understanding of opposition teams and players where practical and implement game-day tactics to combat.
- Monitor the performance of players and provide any guidance on improvements and implement individual programs where appropriate.
- Select players on a weekly basis for premier and reserve teams.
- Ensure that the behaviour of players, coaches and management is of a high professional standard.
- Promote club events to ensure all team members attend club functions.
- Provide coaching expertise to junior club coaches, including running coaching programs for club coaches.
